KID GLOVES.—Messrs. GREEN & GREEN sell none but the genuine "Alexandria Kid Glove" for Gents, at 43 College st.

AUCTION.—I will sell this morning at 10 1-2 o'clock, A. M., a desirable stock of Prints, Laines, Berages, Notions, Hosiery, and Ladies' Shoes; also, 10 cases Fresh Oysters. M. MANBURY, 42, Public Square.

BILLY COLLIER, R. H. SINGLETON, BROWN & Co., and W. H. KEELER, city news-dealers, have our thanks for papers in advance of the mails.

MR. R. H. SINGLETON, the popular and successful newdealer at the Post-office, is now in receipt of all the last monthlies and illustrated weeklies. Give him a call when you want intellectual food.

THE CITY COUNCIL.—Yesterday evening was the time for the City Councilmen to have held their regular meeting, but not enough attended to form a quorum, and, hence, no business was transacted.

THE WEATHER.—Yesterday was a day of delightful weather, the sun shining all day long, and the air just bracing enough to make one feel like doing business.

The city was quiet yesterday. No startling news from the rebels who are known to be prowling around a few miles from Nashville.

We are informed that two men were knocked down and robbed, yesterday morning before day, near LINCOLN'S Hall, on College Hill. The robbers were not arrested. Truly Nashville is just at this time cursed with the presence of some dangerous characters. Our authorities should be vigilant and gobble them up.

SPRAGUE'S MINSTRELS.—This company of No. 1 negro singers perform nightly at Old Fellows' Hall to large and delighted audiences. The new "brotherhood," CHARLEY CORLE, is "the right man in the right place." LA BELLE LOUIS is always on hand with her pretty songs and fancy dances. If you wish to spend a pleasant hour and enjoy a good laugh, go to the Hall to-night.

THEATRE.—To-night is set apart for the benefit of Mr. FOSTER, a gentleman who has won considerable favor from our play-goers as a tragedian. On this occasion Judge CONRAD'S tragedy, "Jack Cade," will be produced, with Mr. FOSTER as "Jack Cade," and a good distribution of the cast of the characters among the company. Mr. DUFFIELD will also sing. The performance will conclude with the farce of "Mr. and Mrs. Lillywhite." Go early, if you want to get a seat, for the house will be crowded.

COTTON.—The receipts of cotton in the last week were 290 bales in place of 417 bales the week previous. There is now but little coming in, and until the late orders issued by the Secretary of the Treasury are made public, there will be nothing done in either selling or shipping from Nashville.

The market here has declined in the last week from 75 to 60c, and closes at the latter as a nominal price without any buyers.

We know not how much lower cotton is going, but from the state of the New York market, we look for a serious decline from our present quotations. We presume the gold market has had some influence on cotton. Gold sold in New York yesterday at 37c, with a downward tendency, and cotton was unsaleable.

Ladies and gentlemen will find it to their interest to call at M. MORGANSTERN'S, No. 10 Union street, for good bargains in Boots and Shoes, of every description which he offers to sell for cash. Custom made work always on hand.

March 3-1.

A Bold Bonanza.—Yesterday morning about one o'clock, South Cherry street was the scene of a most outrageous and disgraceful affair. A party of men, dressed in part citizen and part soldier's garb, knocked down and robbed a soldier, on that street. An old gentleman, who had been till a late hour in the night, engaged as compositor in our office, happening to be passing about that time, on his way home, was also knocked down by these scoundrels. The soldier suffered more severely in their hands than he did, having several severe wounds inflicted upon him. Through the efficient aid of that energetic officer, Mr. JOHN FICKETT, and a Mr. STEWART, assisted by several members of the Provost Guard, two of the miscreants were arrested and taken before the Provost Marshal, who had them sent to jail to await an investigation of their scoundrelism. Let our citizens be on their guard when out late at night.

WEEKLY NEWS.

New York, March 25.—The Times' despatch says that refugees who arrived within our lines yesterday confirm the statement that the rebel army is falling back from Fredericksburg and being massed in the defenses before Richmond. They state that the entire force left at Fredericksburg on Sunday night to have been only 8,000. They also confirm the news that the steam-mill machinery and ordnance stores are being rapidly removed from Richmond into Georgia—that the withdrawal of families from the city has fully set in, and that sales of property are being forced to a ruinous loss. They also state that the acknowledged loss of the rebel army is 10,000 men, sustained in the recent thrashing Gen. Averell gave them was between four and five hundred killed and wounded. Among the killed was Col. Lagrange, of North Carolina.

The rebel guerrillas came down our line at Chantilly and made a feint of attack. Seventy of our cavalry dashed at them and chased them a mile or so, still in passing they received a flank fire from behind the barricade. Our cavalry wheeled and fled, pursued by the enemy, but rallied and again charged the rebels to a distance of three miles.

One great duty with which General Burnside is charged in his new department is to defend Kentucky from Confederate rebel invasion. He will be furnished with an ample force for that purpose. Should circumstances favor, may co-operate with Gen. Rosecrans in Middle Tennessee.

WASHINGTON, March 24.—It is given out from some official quarters that, notwithstanding the enemy is still on the Rappahannock line, it is evidently his real intention to fall back toward Richmond, and that operations are going on to that effect. It is added to-day the Secretary of War has expressed his belief that the rebel Government has determined to abandon Richmond and fall back upon some position further in the interior than Richmond. Prisoners from that vicinity are doubtless the only authority for this belief.

CAIRO, March 25.—Late news from Vicksburg confirms the arrival of the gunboats Hartford and Albatross, of Farragut's fleet, at the mouth of the canal on the 20th. An officer on board arrived at Grant's headquarters, bringing despatches. Seven of Farragut's boats run the blockade at Fort Hudson, and after coming some distance, all but two returned. They have probably gone to the mouth of the river.

Banks had not yet arrived to make a land attack when the fleet ran the blockade. The boats will pass into Lake Providence as soon as the current in that direction will permit.

Reports from Greenwood, Ark., Wednesday evening stated that the fight had not been renewed. Both parties are making preparations. The rebels are mounting new guns and otherwise strengthening their position.

Closing Out.

Ladies and gentlemen will find it to their interest to call at PARK'S Store, Lebanon pike, for Dry Goods, Boots and Shoes, Clothing, Groceries, &c., &c., as I wish to close out my stock immediately.
